Title of Lesson: Comapring Animals/Animal Sounds

Theme: Life Science

Unit Number: 6 **Unit Title:** Plants and Animals

Performance Standard(s) Covered (enter codes):

SKL2

SKL1

Enduring Standards (objectives of activity):

Habits of Mind

- Asks questions
- Uses numbers to quantify
- Works in a group
- Uses tools to measure and view
- Looks at how parts of things are needed
- Describes and compares using physical attributes
- Observes using senses
- Draws and describes observations

Content (key terms and topics covered):

shorter, taller, bigger, smaller, longer, smaller, "animal noises"

Learning Activity (Description in Steps)

Abstract (limit 100 characters): Students will learn how to compare animals and the sounds that different animals make.

Details: Students have previously learned about how to compare and contrasts animals. They are now going to complete a worksheet to further their knowledge. This worksheet is listed under "Animal Motion" on the Curriculum Guide for Unit 6. After this this, they will color the animals and watch the a video called "The Animal Sounds Song."

(<http://www.youtube.com/watch?v=t99ULJjCsaM>) This is found on Youtube but must be downloaded because Youtube is not available at the schools. An online video converter can be used for this (<http://online.movavi.com/>).

Materials Needed (Type and Quantity):

Worksheets (Curriculum Guide-Unit 6), Video

Notes and Tips (suggested changes, alternative methods, cautions):

Be prepared to listen to the Animal Song over and over and over!!!
